ASSESS YOUR RESEARCH PROCESS

Pending - In progress - Achieved

Submit a paper to a top-tier journal.

Present at international conferences that give you professional exposure.

Select an external examiner strategically to promote your work.

Identify your next research question.

BRAINSTORM...

How can I best communicate the key ideas behind my findings?

Where do I want to take my research findings next (future research, specific commercialization applications etc.)? What can I do to achieve this?

ASSESS YOUR PROFESSIONAL SKILLS DEVELOPMENT *Pending - In progress - Achieved*

Find examples of your impact that highlight your professional skills.

Provide leadership within your group, department and professional community.

BRAINSTORM...

Before I graduate how can I use my professional skills to further my research impact and career?

How can I mentor and support junior members of my research community?

ASSESS YOUR NETWORK DEVELOPMENT PROGRESS *Pending - In progress - Achieved*

Listen for job opportunities in your network.

Facilitate connections between new students and your established network.

BRAINSTORM...

How can I leverage my network to transition into the next phase of my career?

What will I do to continue to network when I am no longer a student?

MY ACTION PLAN

Goal	Action	Timeline
